Walker's Way

As soon as you see this newly built cabin with two bedrooms and a bath, centrally located between Boone, West Jefferson, and Wilkesboro with gorgeous mountain views, your breath will be taken away. From the views through the large windows, covered front porch with rockers, and mountain themed décor throughout, everyone will appreciate the thoughtful touches throughout Walker's Way. Snuggle up on the plump leather couch or relax in the recliner for movie nights or catch the big game on the flatscreen Smart TV. Cook burgers or steaks or the charcoal grill or build a fire in the fire pit for s'mores after a day adventures. Prepare meals and snacks in the fully equipped kitchen – including stainless appliances, refrigerator with built in ice maker and Keurig coffeemaker. The dining table features seating for 4 and offers a great view from the large windows. A cozy king bed is offered in the primary bedroom along with a flatscreen Smart TV, side tables with USB charging ports and reading lamps. The shared hall bath offers a shower/tub combination and plenty of plush towels. In the second bedroom, you'll find a queen bed and flat screen Smart TV - perfect for curling up in bed and watching a movie. If you need additional sleeping space the sofa pulls out to a full bed. You'll love exploring the property, taking a stroll down to the creek, or hiking thru the woods to the Blue Ridge Parkway. Walker's Way is within walking distance of Sassy Shack if you need additional space. Pets up to 40 lbs are welcome. For some winter fun, head to one of our three most popular ski resorts: Appalachian Ski Mtn, Sugar Mtn, or Beech Mtn. Walker's Way is a Carolina Mountain Properties & Rentals property.
