With one king bed, two queen beds, two twin beds and three full baths, Mountain Song will comfortably accommodate up to 8 people. From the moment you arrive, the picturesque setting and upscale cabin will take your breath away. Attention to detail is evident throughout the landscaping and the interior. The covered wraparound porch welcomes you as you enter the cabin to an open living area complete with kitchen, dining and living area. The living area features comfy seating with a leather sofa and recliners. Curl up around the wood burning log fireplace while watching a movie on the flat screen smart TV with cable or just read a good book. The stacked stone fireplace creates a warm cabin ambience, and the cabin quilts add a dash of color. In the kitchen you'll find modern stainless appliances and granite countertops. There's no need to pack kitchen utensils – the kitchen is fully stocked with pots, pans and other necessary items for you to whip up the perfect meal. The island features seating for three while the table accommodates six. Also, on the main level is a shared hall bath complete with a luxurious step-in shower, a spacious bedroom with comfy king size bed and flat screen smart tv with cable, and doors leading out to the deck and hot tub. Step outside to the spacious side and back porch area to find a treasure trove of outdoor living space. A bubbling hot tub is waiting for you to relax in after an adventurous day out and about or build a fire in the beautiful wood burning fireplace and just enjoy nature. There is even a table for your outdoor dining pleasure. If s'mores or roasting hotdogs are what the family wants then you will certainly enjoy the beautiful stone firepit complete with Adirondack chairs off the lower level. You can stargaze as the fire crackles in the beautiful Carolina Mountains. Back inside, climb the stairs to the second level and you will find an inviting open loft sleeping area with a queen and twin bed. There is also a full bath complete with tub and shower. And, there's even a desk for those needing to catch up on work. Downstairs, you will find a den area complete with stone gas fireplace and large flat screen smart TV with cable and DVD along with a spacious couch.
