MountainTop Meadows

Have you ever dreamed of staying in an authentic log cabin with mountain and pastoral views that you can take in from a bubbling hot tub? Then Mountaintop Meadows is the cabin for you! This cabin is in a secluded setting on twenty-nine acres just minutes from the banks of the New River.

There are numerous hiking areas to explore, and the towns of Jefferson and West Jefferson are just minutes away. The drive to the cabin itself will have your imagination running wild: you'll wind through meadows on a gravel road arriving at the cabin perched on the mountainside with breathtaking views. For some winter fun, head to one of our three most popular ski resorts: Appalachian Ski Mtn, Sugar Mtn, or Beech Mtn. Inside, you will find a cozy living area featuring a large flatscreen smart TV, a wood burning stove, and two leather chairs along with a comfy couch for relaxing. The couch makes a sleeper sofa for two if additional space is needed. The kitchen is well-equipped including a Keurig coffee maker, cookware, and dishware so you can prepare a quick snack or family meal. Just off the kitchen is the spacious dining area that offers plenty of seating and an amazing view of the mountains to enjoy as you gather around the table for a meal. Also on the main level is the primary bedroom with a comfortable king bed, flat screen smart TV and access to the shared bathroom.

There is also a laundry room complete with washer and dryer. Climb the stairs to the second level and you will find another bedroom with two twin beds for guests or the family. Step out the front door and you will discover a cozy covered porch with rocking chairs for taking in the views. You'll love sitting back and enjoying the sounds of nature all around you! The side porch offers a gas grill for your grilling pleasure. Explore the surrounding land or plan a day trip to bike, fish, canoe, or hike but you will love coming back to this cabin to relax and stargaze at night. NOTE: Gravel driveway to cabin with incline may need FWD, ALL Wheel, or 4WD. During the winter months, four-wheel drive is required.
