## A Dream View

"A Dream View" Grassy Creek, NC - Picture yourself watching the sun rise in rocking chairs on the deck. Perched on Helton Knob in Grassy Creek, North Carolina, this cabin has a dream view to the south, overlooking layered views of the Blue Ridge Mountains of Ashe County. Located within a half hour of the Blue Ridge Parkway, this three bedroom, three bath house has all the comforts of home -- with the addition of peace and tranquility. There are plenty of activities available close by! Canoe or kayak on the New River; fish or hike at the many beautiful parks in the area; enjoy some mountain music; or check out the shops, art galleries and dining in West Jefferson. At a mile high, Grayson Highlands State Park in Virginia boasts spectacular views and terrain that varies from hardwood forest to rhododendron groves to open tundra. And to top it off, it even has wild ponies! Don't feel like straying far from home base? There are pool and foosball tables in the rec room. Take a walk down to the pond and do some catch and release fishing. You can curl up with a book, or simply enjoy the view. The cabin sleeps 8 people very comfortably, and can accommodate up to 13 people. There is a king bed plus twin daybed in the master bedroom on the 3rd floor, a queen bed in one of the main floor bedrooms, and a full bed plus a set of twin bunks in the other main floor bedroom. In addition, there is a full size futon in the 3rd floor loft and a full size sleeper sofa with bar-blocker pad plus foam mattress pad for extra comfort in the rec room on the ground level. The lower level also provides a private dressing room -- it is sort of like a complete suite! (There's a microwave and coffee maker downstairs, too!) Dish HDTV and fiber optic internet keep you connected to the outside world -- but only if you want! Unsure of what to do: there is a notebook chocked full of information on local activities! Driveway requires either an AWD/4WD year round. A Dream View is a Carolina Mountain Properties & Rentals property. Our calendar and rates are updated instantaneously.
